

Hugh O'Brian Youth Leadership Fundraiser!

*Dean's Beans is an Organic and Fair Trade
Coffee Roasting Company.*

*So, not only will you be helping raise funds for
Hugh O'Brian Youth Leadership, but you will also be helping improve
the lives of small coffee farmers around the globe.*

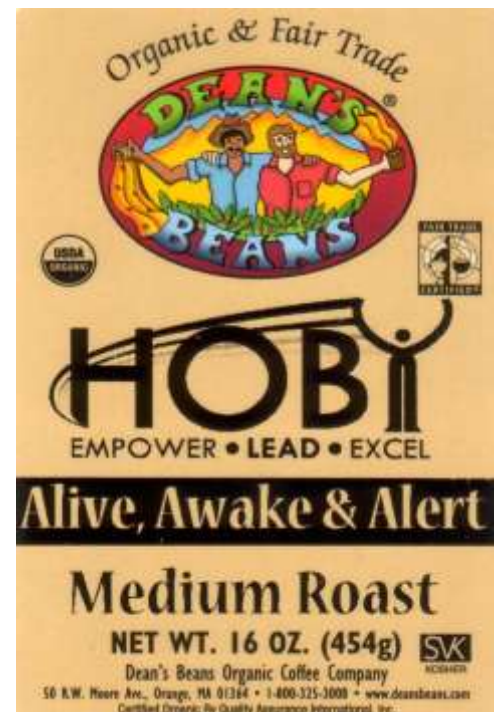

Every cup you drink and every pound you buy contributes directly to the welfare of coffee growers. We only purchase beans from small farmers and cooperatives, largely made up of indigenous peoples working hard to maintain their culture and lifestyles in a hostile world. We do not buy beans from large estates and farms. We've been there, and have seen the conditions of chronic poverty and malnutrition within which these farms produce those other coffees.

The coffee available for this fundraiser is:

- Dark Roast - strong and exceptionally smooth*
- Medium Roast – complex and full bodied*
- Decaf Dark Roast – full bodied & aromatic*
- Decaf Medium Roast – mellow with low acid*

You can also purchase the following items:

- Hot Cocoa Mix*
- Dark Chocolate or Milk Chocolate Java Drops
(Java Drops are chocolate covered coffee beans.
Just pop them in your mouth for a caffeinated treat)*
- Putumayo CD –Music from the Coffeelands*

Why drink Fair Trade coffee?

Because it ensures a living wage to keep food on the table and children in school, plus we give profit sharing and needed development assistance to our farmers.

Why drink Organic Coffee?

No chemicals and sustainable practices guarantee the health of farm families and their ecosystems while preventing long term health impacts on the consumer.

Here's your coffee!
**It's available in a Dark
or Medium roast.**
(Decaf is also available)
